Board of Directors 董事會

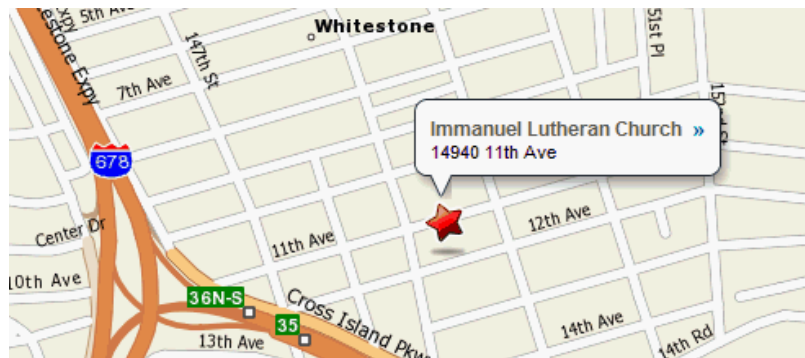

October 8, 2009

Dear brothers and sisters in Christ,

Peace to you all! Autumn has come as summer heat has gone. Praise to the Lord for His faithfulness and guidance. We'd like to thank you all for your prayers and continued support of TMF over the past two and a half years. We cordially invite you to attend our Annual Mission Convention (luncheon) to be held on Saturday Nov. 7 from 10am to 4:30pm at Immanuel Lutheran Church, 149-40 11 Ave. Whitestone, New York 11357.

The theme of our Annual Convention this year is "Restore Paradise Lost" in serving two purposes: (1) to remember those who have lost their homes and hopes in Taiwan by the disaster of Typhoon Morakot this summer and (2) to brainstorm our mission strategy on how to save more souls in Taiwan by getting them back to the lost paradise spiritually. Thanks the Lord for preparing for us many great speakers and representatives to share their Taiwan mission stories and experiences new and old. One professor is invited to speak about the geography and geology of Taiwan to teach us how to avoid the disasters but to keep the land beautiful. This year TMF Mission Training School has also established a new and free "workshop" to equip the participants on "how to organize and/or participate in a short term mission team". Let's press ahead to pass on the baton of mission by spreading the gospel so that many others could then find and return to the lost paradise. Please continue to keep TMF in your prayers and to support our ministry. May God bless you and Taiwan!

In Christ, Board of Directors of TMF
